Price List

October 1998

A commitment to excellence

The price of every Porsche car includes all delivery charges, number plates and carpet mats, plus a Thatcham-approved (category 1) alarm/immobiliser system. Road Fund Licence and your choice of options, Exclusive or Tequipment products are the only additions needed to put your Porsche on the road.

With flexible production facilities, Porsche is able to build cars with individual specifications. Further possibilities are available under the Porsche Exclusive Programme, allowing your car to be totally unique, from special leather trim to distinctive paint finishes.

Whatever questions you may have about Porsche or the many auxiliary services we offer, your Official Porsche Centre will be pleased to help. For details of your nearest Centre contact our dedicated information service on **0345 911 911**

Information about Porsche and its services may be found on the Internet
<http://www.porsche.com>

Our extensive support programmes include:

Porsche Assistance

A 24hr pan-European breakdown recovery service with comprehensive benefits to minimise inconvenience.

Porsche Approved

Manufacturer-backed extended warranty programme for complete peace of mind motoring.

Porsche Insurance

Tailor-made policies for all Porsche drivers with guaranteed repairs by an Official Porsche Centre or Approved Body Repairer.

Porsche Finance

When it comes to paying for your car, Porsche Finance has a range of flexible purchase plans to suit your needs. Whether you're a private purchaser or business user, our trained advisors will be able to discuss your options and develop a tailored payment programme.

Please contact your Official Porsche Centre for further details.

Porsche Warranties

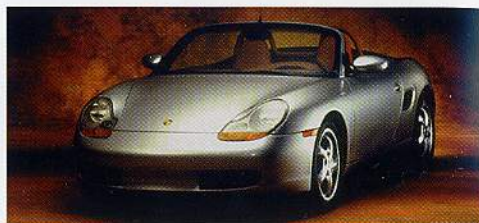

At Porsche's state-of-the-art production facility in Zuffenhausen only the finest quality materials are utilised. Such stringent quality control standards are reflected in the extensive warranties. Porsche was the first car manufacturer to offer a 10 year anti-corrosion body warranty. In addition, the paintwork is protected by a 3 year paint defect warranty and mechanical components by a 2 year unlimited mileage warranty.

The Official Porsche Centre Network

To ensure that the standards built in to all Porsches are matched by the highest level of aftersales service, the UK's Official Porsche Centre Network is regularly assessed. Only Porsche trained technicians, qualified in all the latest technical innovations from Porsche AG, will work on your Porsche. Moreover, at an Official Porsche Centre you have the satisfaction of knowing that all work carried out will be with Genuine Porsche Parts, all of which carry a 2 year guarantee.

Porsche Travel Club

The Porsche Travel Club offers a new holiday experience. You'll have the opportunity to travel throughout Europe in your own Porsche, staying at some of the continent's most exclusive hotels. Along your route, you can enjoy some superb Porsche activities such as tours of the Porsche Factory,

the Porsche Tennis Grand Prix or the world-famous Le Mans 24 hour endurance race. Should you desire something more active, you can join our Winter training school in Switzerland. Under expert tuition, you will learn about driving safety on wet and slippery roads.

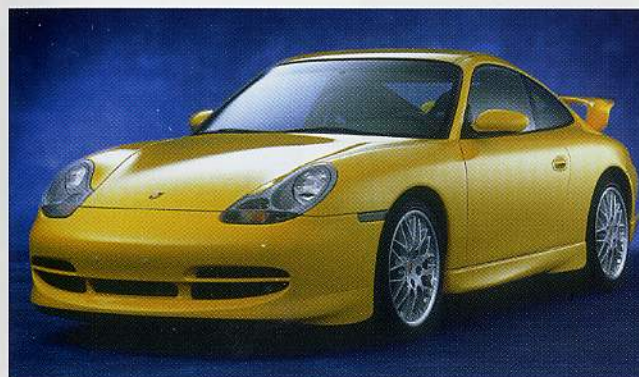

Or you may prefer to travel further afield, such as our 'Australian Dreams' holiday that includes the luxurious Hayman Island resort. Further details may be found on the Porsche internet site, or for a full Travel Club brochure, contact the Porsche Information Service on 0345 911 911.

Factory Collection

Should you wish, the possibility exists to collect your Porsche from the Factory in Stuttgart. Costs start at £150 for the following package:

- Business Class Flight from Heathrow to Stuttgart
- Overnight accommodation at the Maritim hotel in Stuttgart
- A tour of the production line and the Porsche museum
- Return 'Club Class' travel by Eurotunnel

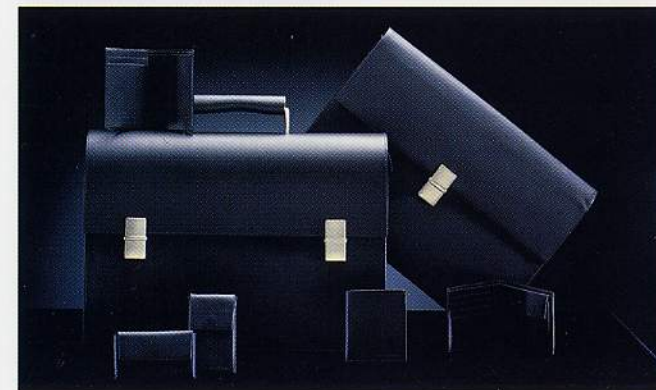

Porsche Equipment

Porsche Equipment offers you a range of accessories to equip your Porsche to your personal specification, once it has been delivered. These products are designed to fit your car perfectly, complement your Porsche's styling and ensure your warranty is unaffected.

Porsche Selection

An exclusive collection of personal accessories and clothing designed with you and your Porsche in mind. The individual items have been chosen because they are timeless, high quality products that share the unique Porsche values.

For further details of the above offers, please contact your Official Porsche Centre.

Boxster 'Trend' package.

The Boxster 'Trend' package comes in Ocean Jade Metallic or Zenith Blue Metallic, while the base colour for the interior trim enhancements and the hood is Graphite Grey. Details in body colour are used to create optical highlights. A package for those who want to liven up their Boxster, but without compromising on elegance.

The following equipment details are in Graphite Grey:

- switch panel and instrument panel
- door trim
- lid of centre console storage bin
- side panels of centre console
- trim on roll over bar
- hood

Interior:

- all-fabric seats with unique design
- black leather steering wheel, handbrake grip, door handles and shift lever.

Exterior, Zenith Blue Metallic or Ocean Jade Metallic:

- A-Pillar covers
- instrument rims
- top of gear lever
- door tube
- roll-over bar

Boxster 'Classic' package

The "Classic" package is yet another interesting way of personalising your Boxster. The package includes full leather seats and metallic paintwork in a choice of six colours. Many of the interior details are finished in Graphite Grey or amber-look trim. The warm tones soften the modern design to create the subtle feel of a bygone age of motoring.

The following interior features have an amber-look finish:

- instrument rims
- door handles
- top of gear lever

Painted in Graphite Grey:-

- defroster trim
- switch trim
- lower section of instrument panel
- dashboard trim strip
- door tube handle
- lid of door storage bins
- centre console including handbrake lever
- A-Pillar covers
- windshield frame cover
- door openers
- inner door sill panels
- roll-over bar
- covers of seat fitting

Boxster 'Sport Design' package

The Boxster 'Sport Design' package takes its styling cues from the world of motor racing. The most obvious feature is the new diamond pattern finish, while other details feature black leather or a metallic grey finish. The hood colour is black, with bodywork in a colour of your choice. To complete the racing look, the standard package includes sports seats and a 3-spoke steering wheel.

The following details feature a black, diamond-pattern finish:

- Dashboard
- door panels
- side panels of the centre console

Paint, metallic grey:

- lower part of instrument panel
- switch trim
- trim surrounding central air vent
- door-opener cover
- door tube
- instrument rims
- lids of door storage bins
- centre console including hand brake lever
- top of gear lever
- rear of sport seat backs
- roll-over bar

Leather, black

- instrument panel - upper part
- passenger airbag cover
- lid of centre console storage bin
- trim on roll-over bar
- sport seats
- three-spoke airbag steering wheel
